# INTERIOR FRENCH DOORS

---

French doors add a certain flair to your home, and by letting in natural light they help create a warm feeling that's welcome in any type of room. Simpson French doors are available with a wide selection of glass options, any of which will elegantly complete the look you're striving for.

## GLASS OPTIONS

Pick the tempered glass or resin panel (interior doors only) that is right for you. You may feel that an abundance of natural light is the way to go, or a better fit may be glass with greater privacy. Just keep in mind that we have an option that suits your style (number on glass refers to the privacy rating).

## RESIN OPTIONS

*(for interior doors only)*

The panels are made with translucent resins and encapsulated materials to create unique, showpiece doors. Choose from natural or textile materials to design the perfect look for your home.
